

Helmsdale Station

Below . . . the last significant gathering at Helmsdale station that we know about!

You are invited to the Open Afternoon and Official Opening at Helmsdale Station House

on Saturday 19th July 2014 between 1.15 pm and 5.00 pm.

At 1.30pm the Official Opening will be performed by the Right Hon John Thurso MP

We think these pictures were taken in 1871/2 just after the completion of Helmsdale Station House when the line north to Wick and Thurso was under construction. The navvies above were either preparing to travel to the works or were posing for the picture on the spoil wagons. We would be pleased to hear of any information which supports or contradicts this suggestion.

We would also like to hear of any other significant gathering or event at the station at any time since.
